

VIDEO/PHOTOGRAPHER

Take 2 Video/Photo Productions does a wonderful job recording and taking action shots during the competition. **Take2 Video/Photo Productions** will have a booth set up in the lobby for your dancers and families to view their dances. Your dancers will have the opportunity to purchase a video or photos from the weekend.

NO VIDEO/PHOTOGRAPHY

No Video Cameras, Still Cameras, or phones of any type are allowed to be used during any competition performance time. No professional photographers will be allowed other than a company chosen by Dance Showcase USA. Any photography during the competition of unauthorized participants/spectators may lead to a dance to have 5 points deducted. We urge all studio owners, teachers, parents and friends to keep our dancers photographically safe by reminding others not to video or take pictures.

CONCESSION STAND

A **Concession Stand** will be available. Food and Drinks are **NOT** allowed in the auditorium/theatre.
